

2017 Events & Sponsorship Opportunities

JASMYN supports and empowers LGBTQ young people by creating safe space, providing health and wholeness services, and offering youth development opportunities, while bringing people and resources together to promote equality and human rights.

Thank you for your interest in partnering with JASMYN!

Throughout the calendar year, JASMYN works with select companies and individuals to create awareness, education, and youth events that help meet our mission and work towards the achievement of our organizational vision: *LGBTQ young people are affirmed in their identities, confident in their futures, and are a valued asset in the Northeast Florida community.*

- **Signature Events – Community:** designed to engage the widest audiences from Jacksonville and the Northeast Florida region, JASMYN signature events draw both new friends and long-time supporters to fun, fabulous gatherings whose proceeds benefit programs and services for JASMYN young people.
- **Signature Events – Youth:** open to young people ages 13-23, these special events are designed to provide social opportunities in safe space, with supportive staff and trained volunteers, to create positive memories in an affirming environment.
- **Community Education & Awareness:** cultural competency training and community education help to advance safety, equality, and a better future for our young people today and in the community they will inherit as adults.
