

FOOD / HYGIENE DRIVE FACT SHEET

What is a JASMYN Food & Hygiene Drive?

We are currently seeking volunteers and organizations to help stock the JASMYN Pantry. JASMYN provides critical services & support to LGBTQ youth that may be homeless, in and out of the foster care system or are in need of extra support & resources. Our Food & Hygiene pantry helps supply our youth with the basic supplies such as shampoo, clothing items, soap & food staples.

Who can support a Food & Hygiene Drive?

Volunteer groups, businesses, non-profit organizations or individuals can support a Food & Hygiene Drive. Groups/individuals are responsible for organizing, collecting, and delivering the items donated. JASMYN can support you or your organization by providing basic information about JASMYN, pantry lists & wish lists to help you host a successful Drive.

How do I organize or schedule a Food & Hygiene Drive?

Your first step will be to contact JASMYN & ask for our Outreach Specialist at (904)389-3857 to answer any questions you may have about organizing a drive and talk in more detail about the current pantry needs! Once you have decided on a date or month to host your Drive a JASMYN staff member will help you work out the details of the delivery.

Now that I have committed to a Food & Hygiene Drive...What do or can I collect!?

JASMYN is always in need of the basic items like canned meat, non-perishable meals, pasta's and pasta sauce, rice, basic clothing items, etc. To help you out please review the lists below.
